 Spirit Wear Items (varies) \_\_\_\_\_

TOTAL AMOUNT DUE \$ \_\_\_\_\_

## 2011-2012 LHHS Band Fees Explained

Funds to run the LHHS band program come from various sources. RISD provides partial support, including transportation to games and contests, and the rest is covered by **band registration fees** and the various fundraisers of the booster club as follows (percentages are approximate):

- 35% **Band Registration Fees**
- 30% Drum Corps International fundraiser in July
- 10% Mum sales
- 5% Varsity Review and Evening of Jazz shows
- 15 % Ways & Means (Passbook sales, cookie dough sales etc.)
- 5% Other sources
- 100% Total

The major costs to run the program include the following:

Summer band camps and clinics, uniform cost for colorguard, uniform dry cleaning, alterations, and repair expense for marching band and concert bands, meals and snacks for football games and marching competitions, competition fees, clinicians fees for marching band and concert season, instrument repairs, music, choreography, props and costumes for the marching show, scholarships and general supplies.

**A note regarding Meals & Beverages:** Since students don't have an opportunity to leave the school prior to the games, the booster club supplies dinner (usually pizza, burgers, subs, or barbecue, with chips and fruit). Meals are also provided before and/or during marching contests. Water is supplied to all students during every football game, contest and bus ride, all year long. This is a convenience service we provide and is covered by the registration fee.

-----  
 We continue with the intent that the fees should not prevent anyone from participating in the program. Payment plans are available to any band student in good standing. Scholarships are available to students in need of financial aid. Please contact your director for an application.

Use of RISD Musical Instruments: Instruments owned by the school district are rented out to students at the cost of \$75 for the entire year. This barely covers the cost of minimal wear & tear based on normal usage. In addition, percussion students must purchase sticks & mallets as these have to be replaced often.

Percussion:  
**\$125**  
 NonPercussion:  
**\$75**

-----  
 LHABC Membership Fee: LHABC (Lake Highlands Area Band Club) is the booster club organization for the Lake Highlands High School Band Program. LHABC supports the band program by providing logistical and financial support through its volunteerism and fundraising efforts. Membership is voluntary, but strongly encouraged, of course! The membership fee entitles each paid membership one vote in all elections, and includes a band student directory.

**\$25**

-----  
 Additional items: Photo buttons, water jugs, accessory bags, and replacement items required to wear under the uniform are for sale. Payment must be received for these items in full prior to being ordered. These may not be financed.

(varies)
