## Materials and Supplies Objective Sheet

\_\_\_\_\_ **1. Case Name Tag**

Every instrument needs to have a name tag on the handle with a luggage tag or on the side of the case itself with masking tape.

\_\_\_\_\_ **2. Black Notebook**

A 1" or 1.5" hardbound notebook is the best, any bigger and the rings wear out. Make sure your name is clearly labeled on the spine. Even if you have one from last year, after a year of wear and tear it is probably best to go ahead a purchase a fresh, clean binder.

\_\_\_\_\_ **3. Seven Dividers**

So much music and information is given to the students that a notebook with seven dividers is the best way to organize it all. Every piece of paper will be filed under a divider. The dividers should be labeled:

1. Information/Handouts
2. Warm Up
3. Scales
4. Rhythm and Theory
5. Current Music
6. Past Music
7. Objective Sheets/Practice Reports

\_\_\_\_\_ **4. Pencil and Pencil Pouch**

We will use a pencil everyday and having a pencil pouch will keep you organized.

\_\_\_\_\_ **5. Wire Music Stand**

To practice correctly at home.

\_\_\_\_\_ **6. Lyre**

\_\_\_\_\_ **7. Flip Folder with all music neatly inside.**

\_\_\_\_\_ **8. Small Portable Mirror**

To practice good embouchure habits. A locker mirror is best, something plastic and non-breakable.

\_\_\_\_\_ **9. Metronome and Tuner**

The two main ingredients in music is pitch (the notes) and rhythm. Every band uses a metronome in class everyday. It is only fitting that students practice with one at home as well. The easiest way to tell whether a musician sounds good (or bad) is whether they are in tune (or not). Like the metronome, each band uses a tuner every day. It is only fitting that students practice with one at home. The recommended tuner/metronome is the Korg TM-40 Metro Tuner.
