

Lake Highlands JH Beginner Band

Materials and Supplies Objective Sheet

_____ **1. Case Name Tag**

Every instrument needs to have a name tag on the handle with a luggage tag or on the side of the case itself with masking tape.

_____ **2. Black Notebook**

A 1" or 1.5" hardbound notebook is the best, any bigger and the rings wear out. Make sure your name is clearly labeled on the spine. Even if you have one from last year, after a year of wear and tear it is probably best to go ahead a purchase a fresh, clean binder.

_____ **3. Five Dividers** - So much music and information is given to the students that a notebook with five dividers is the best way to organize it all. Every piece of paper will be filed under a divider. The dividers should be labeled:

1. Information 2. Warm Up 3. Scales 4. Rhythm and Theory 5. Music

_____ **4. Pencil and Pencil Pouch**

We will use a pencil everyday and having a pencil pouch will keep you organized.

_____ **5. Wire Music Stand**

To practice correctly at home AND at school.

_____ **6. Essential Elements 2000 Book**

Purchased from Brook Mays Music Co.

_____ **7. Small Portable Mirror**

To practice good embouchure habits. A locker mirror is best, something plastic and non-breakable.

_____ **8. Metronome and Tuner**

The two main ingredients in music is pitch (the notes) and rhythm. Every band uses a metronome in class everyday. It is only fitting that students practice with one at home as well. The easiest way to tell whether a musician sounds good (or bad) is whether they are in tune (or not). Like the metronome, each band uses a tuner every day. It is only fitting that students practice with one at home. The recommended tuner/metronome is the Korg TM-40 Metro Tuner.
